Story Behind the Book I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem—it's a human problem. Joshua Harris From the Trade Paperback edition.
